

SCHOOLCENTRAL APP GUIDE

The **SchoolCentral** app is designed to simplify school-related information and keep you updated on your child's academic journey.

- ✓ Stay informed about your child's progress by viewing grades and upcoming assignments.
- ✓ View attendance records so you're always aware of their presence at school.
- ✓ Track your child's bus schedule, with details on bus routes and history.
- ✓ Set notifications to get alerts about arrival and departure times.

The app is constantly evolving, with more features to come, ensuring you are always informed and in control, providing a seamless way to stay engaged in your child's education.

Logging In

Once you've downloaded and installed the SchoolCentral app, you will be prompted to select your school district from a dropdown menu on the login page.

Select the appropriate **PowerSchool** district for your child's school and proceed by logging in using your **PowerSchool credentials**.

Home Screen Overview

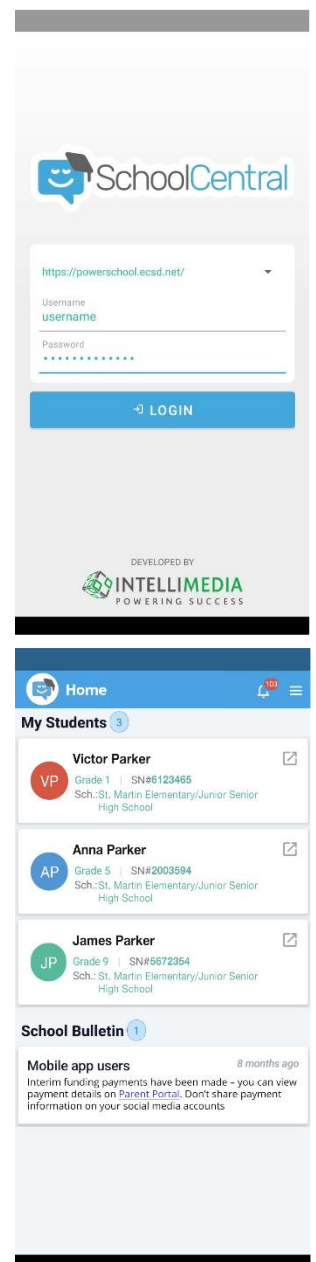

- **Student List:** This section shows all the students linked to your account, displaying their names, grades, and school names.
- **Notifications:** Click the bell icon at the top to review any new notifications.
- **Menu:** Access the app's main menu by clicking the three-line menu icon at the top right.
- **Student Details:** To view more detailed information about a student, click on their profile.

View Student Details

When you click on a student's name, you will be directed to their **Progress Report** screen. At the bottom of the screen, you will find a navigation bar with four options:

- **Progress:** Displays the current screen with the student's courses and grades.
- **Attendance:** Allows you to view detailed attendance records for your child (absences and lates if exist).
- **Transportation:** Provides information about school bus schedules and a history of your child's rides.
- **School:** Displays bulletins from your child's school if they exist.

To view more details about any specific course, simply tap on the course in the list.

Course assignments

When the course is selected, you will be presented with a list of assignments associated with that course, along with the corresponding grades for each assignment.

- **Assignments:** The screen will show all the assignments the student has completed or is working on, alongside the grades they have received.
- **Assignment Details:** Clicking on the assignment will provide grading details as well as display a list of curricular outcomes, depending on the grade level and course setup by the school.
- **Outcomes:** Depending on the grade level, the screen will show the overall outcomes for the course with the student's current grade to date.

This setup allows for a clear overview of the student's progress in each course and provides additional information when required.

Transportation information

In the **Transportation** tab, you can view the schedule for the student's assigned buses.

- **Bus Schedule:** Days when the bus operates are highlighted with a blue background.
- **Today's Date:** The current day of the week is circled for quick reference.
- **Bus Details:** By selecting a bus, you can access the history of its runs, including route information and timing. If a route is currently active, indicated in green, then the map showing the current bus and stop location will be shown.

This tab ensures that transportation details are easily accessible for tracking school commutes.

Settings page

The **Settings** page allows you to customize and configure the app to fit your preferences. Available options include:

- **Absence Notifications:** Choose whether you want to receive notifications when a student is marked absent.
- **Weekly Grade Reminder:** Choose whether you want to receive a weekly reminder to check the student's grades.
- **Arrival Notification Timing:** Define the time you would like to be notified of the student's arrival.
- **Departure and Arrival Notifications:** Enable or disable notifications for when the student departs or arrives.
- **Additional Settings:** Configure any other available preferences to enhance your user experience.

This page ensures that you receive timely and relevant notifications based on your needs.

To switch between students, click on the **menu icon** and select the desired student from the list of available students. This feature allows for easy navigation between student profiles, ensuring that you can quickly access the relevant information for each student.
